This e-mail serves as notification that the Office of Analytical Services and Quality Assurance (OASQA) Laboratory Final Results (Final Report) for **Work Order 1401014, West Virginia Chemical Leak Site** have been released. Please see the attached PDF file. Due to the significant amount of tentatively identified compounds (TICs) the EDD file will be distributed in a separate email.

Please contact me at 410/305-2732, or Kevin Poff 410/305-2938, if you experience delivery problems with your report or to provide feedback. A copy of this e-mail will be retained in the case file.
